

Cascada 15"x28" LED Thermostatic Multi-Function Shower System

Model: Vaticano (CSLED837002)

Dimensions:

- Top LED Shower Head: 15" x 8" x 2.7"
- Valve Panel: 21 5/8" x 4 3/4"
- Hand Shower Hose: 59"

Materials:

- 15"x28" Shower Head : 304 Stainless Steel
- Hand Shower: Brass
- Shower Holder: Brass
- Shower Hose: 304 Stainless Steel
- Valve Body: Brass

Finish Options: Polished Chrome, Matt Black, Brushed Nickel, Brushed Gold, Polished Gold, Rose Gold.

Shower Functions:

- Rainfall: 2.5 GPM
- Waterfall: 5.0 GPM
- Mist: 1.8 GPM
- Water Column: 1.8 GPM
- Hand Shower: 1.8 GPM

The system is designed so that each function can be turned on individually or in any combination, even all functions at once. The total water flow will vary depending on how many functions are running simultaneously.

Water Pressure:

- Minimum Required: 43.5 PSI
- Recommended Operating: 72–87 PSI
- Maximum Pressure: 120 PSI

Thermostatic Valve:

- **Type:** 5-Way Thermostatic Mixing Valve
- **Control:** 6 Metal Knobs – the first knob regulates water temperature, and each of the remaining five knobs controls one shower function individually.
- **Inlet/Outlet: Hot & Cold inlets:** 3/4" NPT; **Function outlets:** 1/2" NPT

- **Valve Orientation & Handle Options:** Available in horizontal or vertical orientation; handles can be square or round shape to match bathroom design.

LED Lighting:

- **Type:** Multi-color LED or Single Warm White LED (optional)
- **Control:**
 1. **Multi-color LED:** Remote Control & Smart App (Wi-Fi enabled, compatible with Alexa & Google Assistant)
 2. **Single Warm White LED:** Standard wall switch control, no remote required
- **Installation:** Both LED options are plug-and-play with included power cord; no complex wiring needed

Power Supply:

- **Input:** 100–240V AC
- **Output:** 12V DC

Installation:

- **Method:** Flush Ceiling-Mounted
- **Connection:** Screw-In

Warranty:

- **Main Product:** 10 Years
- **LED Lighting:** 2 Years
